## A thank you message from our founder and managing director

The completion of a Mosaic project is an exciting time for everyone, especially you, the proud owner of a quality terrace home in a thriving master-planned community.

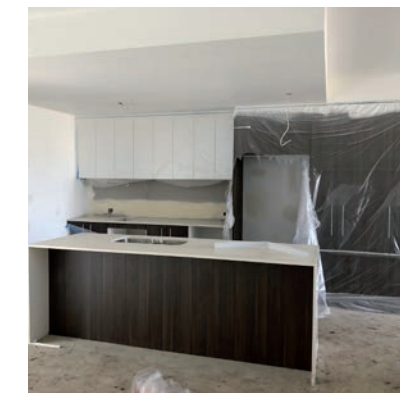

For us, the commitment to our clients certainly doesn't end at handover. As Mosaic maintains the management rights for all its developments, we will be there for the life of the building, ensuring it is well maintained and kept in the best possible condition, protecting your investment for many years to come.

Should you have questions about anything at all, be it now, or in 1, 2 or 5 years' time, we are always here to assist.

Thanks again for your support of Mosaic.
